

HiRel Silicon Schottky Diode

BAT 15

Features

- **HiRel Discrete and Microwave Semiconductor**
- Medium barrier diodes for detector and mixer applications
- Hermetically sealed microwave package
-  qualified
- ESA/SCC Detail Spec. No.: 5106/014

ESD: **E**lectro**s**tatic discharge sensitive device,
 observe handling precautions!

Order Instructions

Full type variant including type variant and quality level must be specified by the orderer. For HiRel Discrete and Microwave Semiconductors the ordering code specifies device family and quality level only.

Ordering Form:

Ordering Code: Q...
BAT15- (x) (ql)
(x): Type Variant
(ql): Quality Level

Ordering Example:

Ordering Code: Q62702A1180
BAT15-014 ES
For BAT15-014 in T1 Package; ESA Space Quality Level
